FEBRUARY RECAP

February was a busy and exciting month for our school community! We came together for a fun evening during A Sweet Choice Bake Night, where students and families enjoyed time together while supporting our school community. To celebrate our outstanding academic achievers, our Honor Roll students enjoyed a well-deserved outing at Topgolf, where they had a blast celebrating their straight A's.

We are also incredibly proud of our talented student Cris Amado, who performed in the professional theater production *How to Break in a Glove* at the Adrienne Arsht Center for the Performing Arts. It was an incredible accomplishment, and we were proud to see one of our students shine on such a prestigious stage.

This month we also took time to celebrate the people who make our school special. We celebrated Ms. Iglesias on her birthday and recognized our incredible counseling team during National School Counseling Week, thanking them for the dedication and support they provide our students every day.

We're looking forward to an exciting March, especially the long-awaited arrival of Spring Break! 🌴
