APRIL RECAP

April was an exciting and productive month for our school community! Our bootcamps and pull-out sessions remained in full swing, ensuring that students were well-prepared for AP exams and Post Tests. Our students truly rose to the occasion and demonstrated their hard work and dedication.

We also took time to celebrate and give back. Our Honor Society students made us proud by participating in the 2026 Baynanza Coastal Cleanup at Vizcaya Museum and Gardens, contributing their time and effort to support our local environment.

As we wrap up the month, please remember that May is filled with important testing dates and deadlines. It is essential that students arrive on time, in uniform, and with a photo ID each day. Be sure to stay on top of your emails to not miss out on any alerts.

We are now in the final stretch of the school year—let's finish strong!

SPOTLIGHT

OUR TEACHERS

MEDIA CLUB PRESENTS...

TEACHER OF THE MONTH

Mr. Karatzas has been honored as Teacher of the Month for May, as voted by a group of students. He is part of our virtual school's mathematics department, where his engaging teaching style and commitment to teaching mathematics have profoundly influenced his students.

*On behalf of the virtual students,
Congratulations, Mr. Karatzas on this well-deserved recognition!*

CHARACTER OF THE MONTH:

Mentorship

WHAT IS MENTORSHIP?

Giving or asking for support, guidance, training or expertise.

Mentorship is crucial for personal and professional growth, offering guidance and support from experienced individuals. It builds confidence and creates new opportunities. As you progress, giving back by mentoring others is equally important.
