OCTOBER RECAP

October was a month filled with pride, purpose, and celebration! We came together for Pink Wednesdays, showing strong support and unity for Breast Cancer Awareness Month. We also celebrated a major milestone as our NHS and NJHS chapters inducted ten new members into these prestigious organizations that recognize students for their academic excellence, leadership, character, and commitment to service. Each inductee demonstrated the qualities that define outstanding student leaders, and we are so proud of their achievements.

Additionally, our Junior and High School 101 sessions provided students with valuable guidance and resources to help them navigate their academic journeys and prepare for future success. We wrapped up the month with an energetic and spirited Red Ribbon Week, encouraging our students to make healthy, positive choices while showing plenty of school pride and creativity.

Looking ahead, our elementary students are excited for their upcoming Everglades Ranger Virtual Field Trip, where they'll explore the wonders of Florida's unique ecosystem from home. And with Thanksgiving Break right around the corner, we can't wait for everyone to enjoy a well-deserved week off to relax and spend time with loved ones. But before we go on break, don't forget to register for our iFly field trip by November 20! We'll kick off December with an unforgettable indoor skydiving adventure on December 1.

SPOTLIGHT

RYAN BLAKE

This month's spotlight is on Ryan, this student athlete balances his academics with basketball which kicks off again in November!

OCTOBER STUDENT'S OF THE WEEK

*Santiago Alvarez & Elizabeth Sanchez
Nessim Jenna & Valery Cabrera Gil*

CHARACTER OF THE MONTH:

Gratitude

WHAT IS GRATITUDE?

Being thankful and sharing appreciation with others.

Practicing gratitude for both big and small things enhances positivity, strengthens relationships, and helps us face challenges. As we enter the season of giving thanks, families should reflect together on what they're thankful for, such as friends, teachers, or special moments. These reflections foster a grateful mindset. Let's extend this spirit of gratitude beyond November and continue to celebrate the joy in our school community.
