### RECAP

As we wrap up March, we want to recognize the hard work and dedication our students have put into preparing for boot camps and attending our grade-level meetups. Their commitment to learning is truly commendable, and we know they are more than ready to finish the school year strong! (the countdown is on!)

We also hope everyone had a wonderful spring break filled with rest, fun, and new memories. We can't wait to hear about all the exciting things you did!

As we move into April, let's keep up the momentum. Stay focused, stay engaged, and continue putting in your best effort. This is a great time to build on all the progress made so far and finish the school year with confidence

**Let's make April a month of success!**
